Forecast for Saturday 05 Sep 2020

Weather: Some bright or sunny intervals and occasional showers, although it will turn rather cloudy at times. It will be cold enough for some wet snow on the highest tops, but a cold feel to the day across all ranges.

Chance of cloud free mountain/hill tops above 800m: 80%. Some patchy cloud down to 700 metres, otherwise cloud mainly 850 metres and above. This may become somewhat more extensive in the evening.

Visibility: Mainly very good with good air clarity.
